

Barcelona International Welcome

Newsletter for the International community

Registration for Barcelona International Community Day 2024 is now open!

The main annual meeting for members of the international community who live and work in Barcelona will be taking place on **28 September at the Museu Marítim**. The event is a **landing and reception point for newcomers**, as well as a space for information, having fun, networking, doing business and much more.

It's a day full of **activities, workshops and conferences**, including a **trade fair** with services, products and initiatives for the international community. There are still **some stands available for exhibitors** in some categories.

Sign up for free and don't miss out on the most multicultural event of the year!
